great on a motorcycle eh? Hadn't thought of that... anyways, just curious... other than it being a Halloween theme... is there any special criteria we need to stick to? I've got ideas working and they're gonna p'own... hopefully my partner can see my vision as well, of course, I'm thinking he can... I've seen his work and it seems we're into the exact same things.

We will rule half of you!! (half-hearted smack talk) nah, seriously, I'm betting it will be a tough call on which is the better piece.
