Does anyone by chance know where the Hellfire Queens picture of Emma and Jean went to. The one I'm referring to is the one where Jean is on top of Emma and at the bottom of the picture is "Hellfire Queens" or "Jean & Emma". Or if by chance do you know who the artist was. Any information on this pic or where it would be located would be a great help! Thank You very much for your time. And please hit me with a return.
