You all can call yourselves anything you want because it doesn't matter, no-one remembers the names of the LOSERS.

Just call VagabondX and I 'Wow That's Awesome!'.

Evidence, I challenged JR to a duel this year and he smashed his computer so he would have an excuse not to compete.

And most of you don't know this, but when Dar and I duelled he actually did finish an image... but mine was so much better that he made a time machine so he could go back and stop himself... because not finishing was far less embarrassing.

FYI VagabondX has already designed something that will make you sh!t yourselves... and not in a fun way either.
