I am sorry to hear that you guys can't take part in this, I wish you luck and I look forward to any posts you guys get a chance to grace us with.

Now that the nice stuff is out of the way...Chilly you are high on Jr.'s ass fumes if you think that you will beat Walley and me! We plan on having a piece of work so demented and depraved that we will be banned from working together again! When our image is posted it will require a signed waiver from you just to think about looking at it!

Right now we are hiding in a secret Government lab full of computers creating a masterpiece that will put Heromorph on the map for having the biggest pervs known!!!
