You all can call yourselves anything you want because it doesn't matter, no-one remembers the names of the LOSERS.

You know Chilly... you are right... after I destroyed VagabondX in our dual... I completely forgot about him... heck, I hadn't even thunk his name until you mention not remembering the names of losers

Just call VagabondX and I 'Wow That's Awesome!'.

"Awesome" doesn't win challenges.... "awesome" was when Britney Spears shaved her head....

Evidence, I challenged JR to a duel this year and he smashed his computer so he would have an excuse not to compete.

Nah Chilly.... the computer is just fine... I just told you that because I really didn't want to embarrass you. There is nothing more embarrassing that getting bent over someone's knee and having your ass spanked in front of all your friends.... that is what would have happened.... you can thank me later.

FYI VagabondX has already designed something that will make you sh!t yourselves... and not in a fun way either.
