Well I think things have changed. I've got a cold so I've been stuck at home all weekend... I've had Heromorph open almost the whole weekend and seen no-one here to chat with.

It used to be weekends were extra-busy at Heromorph, with lots of members online and a heap of new images posted.

Heck, I now need my Saturdays to plan out what I'm gonna teach the 14yr olds in Gospel Class on Sunday...got no time fpr LHM now...guess I'm getting to be an old fuddy-duddy!
