hey Morphites,

how was everybody's weekend? do we have any CSI fans? any of the three are fine, though I find MIAMI has almost no dialogue and is mostly David Caruso putting on his shades and trying to act like Joe Cool. anyhoo, has anyone noticed that all three CSIs have Who songs for their themes? VEGAS has "WHO ARE YOU?", MIAMI "Won't Get Fooled Again" and NEW YORK has "BABA O'REILLY". I was just wondering if it is simply a random decision or are Jerry and staff Who fans? either way is fine. the man has excellent taste in music. any thoughts or comments?
