In a way Hawk is right in that it's ridiculous that on all three shows the CSI people do everything, all the detective work, the busts, EVERYTHING! So, not the way that real life police work is done. That said however, I myself am a fan of the NY version the best, probably because I'm a born New Yorker and most of my family hails from the Big Apple. I do enjoy the original Vegas one, but never could stand the Miami version what with Caruso being portrayed as better than Batman and just looking at a paint chip and instantly knowing the make model and serial number of the vehicle that it came from.
