VL I thought I already answered that question in your pm.

I can somewhat agree with DW. When we first came to HM the site looked like this. And I imagine the change was brought on due to **LACK** of activity. Back then people bitched because they'd post a pic and the next day it'd be on page 2. That's about when they decided on the 3 a day rule. But back then the site was active and 3 a day was still kicking your stuff to the 2nd page. Now..... it's a wonder if anyone gets creative any earlier than September. And sometimes you need a sudden change to wake you up. How else could HM last 5 years?

If you guys are toying with the idea of bringing back the monthly challenges..... I'd support that
