well Jr,

you're right. if given the chance, I probably would nail Aniston then upgrade to Angelina. though, actually, I'd skip Aniston altogether. and Chillmeister, my mind sort of works like that. I read something and, though I could care less, there are those who sadly (not anyone here, I don't think) who actually do care about celebrities' private lives. this is for their benefit. otherwise, it's interesting for about 10 seconds then time to move on.
