If they Mated has Won!!!!!!

So That is what we are going to do!

You guys pick the parents and get to work. The only twist is that the mom and dad can not be a character from the same publishing company. So who ever hooks up has to be from a different publisher. Dc screws Marvel, Image carpet munches Archie. Kitchen Sink unloads onto Darkhorse. Mix and match and lets make some babies.

on a side note, images showing the parents making the kids (bumping uglies) will also be accepted if you complete the image of the grown up kid. just put them in the adult gallery.

Images can be done anyway you want. Post anytime during November.

A fun poll at the end will determine the winner of the official No Prize.
