Fear, I will strike fear into their hearts...

eeeeek, I am afraid already. I can see the complete lack of wrinkles in my mind, and it is scaring the heck out of me.

I had set the deadline for Aug 2nd. I am now delaying that to August 9th, Just to give everyone A little more time. Feel free to post early if you finish ahead of time, but that might work against you as it might give the others Ideas.

The rest of you guys: get to work
