Hey everyone,

Just to let everybody know we had 2 new freebies released at the HMDC on the weekend.

[Brushed Metal for ArmourZ By bmcdaniel](#)

and

#### [Poser Trans Maps Tutorial by Starkiller](#)

Stay tuned to the HMDC as we have a few more surprises planned for this month.

If you have an item you would like to make available on the download central (as a freebee or otherwise), Please send a e-mail to [winterhawk200@yahoo.ca](mailto:winterhawk200@yahoo.ca). We take items for photoshop, poser, daz studio, Carrara, Bryce, or pretty much any digital product you can think of.
