hey Wolf,

I heard on a local radio station that Beyonce wants to play WW.  
one DJ, Romero, says "The character should stay true to the comic.  
(i.e. Wonder Woman should be white)" on the other hand, Pebbles  
says that she can't see it because Beyonce is doing enough stuff  
and should just give it a rest. personally I'd like to see Ms.  
Fox, Ms. Rafeli, Ms. Jolie or Ms. Strain. here's another one.  
Sofia Milos from CSI: Miami. she give WW a nice exotic look. I'd  
suggest Eliza Duzhku, but she'd make a better Wonder Girl.
