hey Chow,

I, for one, didn't mind at all Nic Cage and The Hoff's "Oscar winning performances".

however, I must concur with Ms.

Beyonce, aka Sasha Fierce, being Wonder Woman. talented as she is, I really don't see that concept going too far.

I'll agree in principle here...Ms. Knowles just doesn't have the chops to do the role justice. Besides the 'skin' factor...there's also the age factor. WW is / was around 28-32 years old. How old is Beyonce?

Not old enough to pull it off, in my opinion.
