Hi everybody!

The HMDC is looking for your downloads.

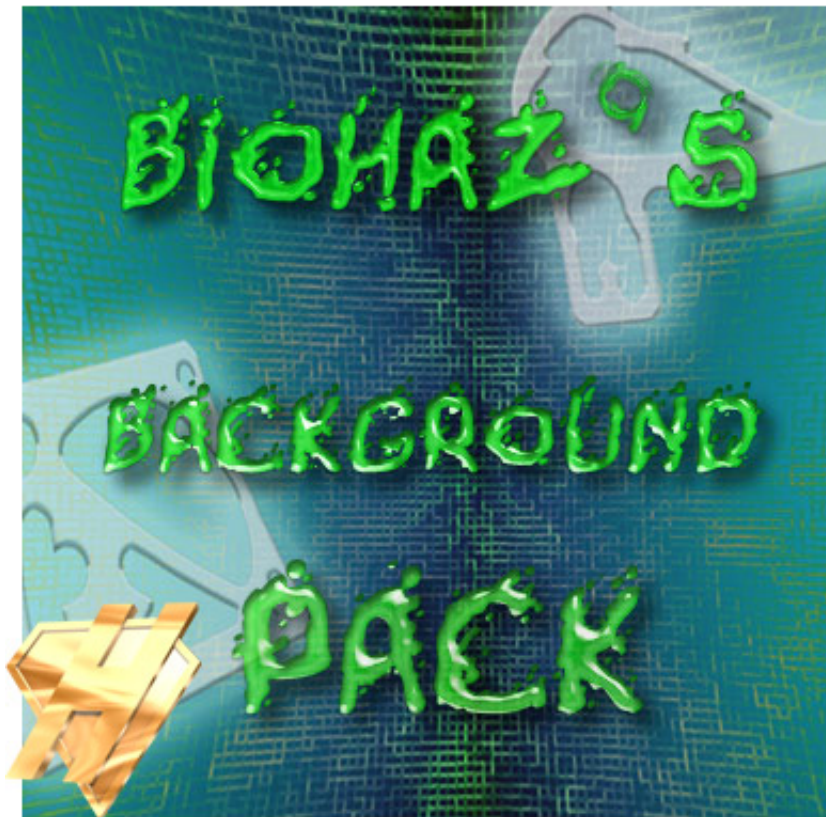

Do you have a Tutorial, A texture set, Have a pose set, a photoshop brush set, some Paint shop pro tubes. A downloadable digital comic book. That you want to put up as either a free item or for sale. (For brokering your products with us at Heromorph, we offer you a 75% commision rate.)

Not only that, but if you have provided us with a item for download at the HMDC, and it gets approved, you can have one of the following for free. If you already have a item at the download central please either e-mail me or PM me with your choice of the above product you will like.

[HawkLight for Poser](#)

Free with approved product for download

[Biohaz's Background Pack 1](#)

Free with approved product for download

[Grunge Brush Pack](#)

Free with approved product for download
