Hum...my first is a little wrong, I don't completed the words, because I was with a short time in internet.

But what I want to say is that, I would like to receive some of my list works, for christmas day,or for my birthday in january, and too that if there's someone that want some of my works for christmas gift, to say what want in a personal message,and I will run to do it on time, because I get some time, leaving the job I was working.

See you!
