Well If I knew you, I don't think I'd be surprised.

:)

lol to the other comments.

I listened, hence the love of your list.

Oh and for the 'Women have hair thing...'

Cypher389 is right, It's to make the body and boobs look better.

But there's more to women than boobs, like lips, butt, and legs. come on guys you know that. Just like there's more to men than a package... I think.

Kisses,
