The Wrath Of Khan was the only thing I knew Richardo Montobahn from, well that and Kim Possible, but he was so cool in Trek, I'm sure he will be greatly missed

"I've done far worse than kill you, Admiral. I've hurt you. And I wish to go on hurting you. I shall leave you as you left me, as you left her; marooned for all eternity in the center of a dead planet... buried alive! Buried alive...!"
