G.I. Joe trailer.

Looks crap.

I couldn't agree with you more Chillyplasma.

I was kinda hoping to see a good movie when I heard Quaid and Ray Park were in it, and was looking forward to seeing some Sienna Miller, too. But after seeing the trailer during the Superbowl, man...now I know to stay away from it at the theater.

And knowing is ALL the battle.

Even though The Red flag for me is Marlon Wayans. But they did the Transformers movie well so I will give it a chance.

Then again I'm going to see this

after this my standards should be low enough to enjoy it regardless.
