Last I heard the WW movie is going to be a cartoon movie not live action and will be out next month.

OK! NEW THREAD!!!

"Who do you think should be the voice of the 'Wonder Woman' cartoon?"

Gillian Anderson!

....you see what I mean wolf

Yeah, I know...Holly'WEIRD' is a joke anymore...you'd get a better product coming out the San Fernando Valley, than what we've been shafted with in the past (the 'SFV' is where slightly more than 90% of all "porn" comes from) from those fine folks we all know and love

Yeah, I'd love to see a "WW" movie...but, WHEN? It's been bantered about for going on 10 years now...and they STILL haven't got their act together on it! Maybe an animated version would be the best bet...or have Pixler put something together.

SHEESH!

I'll be babysitting 'Hawk & Blurry's grandkids before they get this messturpiece out before the public!
