I am ALL about the DUSHKU!...I wouldn't mind seeing her play WW! On a side note...Is anyone digging Dollhouse??? I'm kinda on the fence about it...some episodes are really GOOD!(like [The Most Dangerous Game](#) episode w/ [Matt Keeslar](#)(psycho bow hunter Richard O'Connell...who...BTW...would make an excellent Green Arrow!), but some episodes have left me wondering...is this a good show??? Also...has anyone seen the WW animated film??? I thought it was good, but why do they always feel the need to do the origin story??? It's kinda weird that after this post of Joss doing WW...Nathan Fillion(Joss Whedon's Firefly)voices Steve Trevor!
