I was late in noticing that I had a nomination, and I am very proud that my humble work was in the running with artists of greater talent than myself. My nominated image - [Daydreaming](#) - was fun to do and I plan on doing a couple more with this "mirror" theme. I have a couple of great bases -- pretty naked ladies looking in a mirror -- that I'm planning to use.

Thanks for recognizing me in this manner, it's a great feeling to be noticed by your peers!
