Thank god Dunst isn't in the next one... that woman is just plain-ole-ugly. She isn't even a butther face... She is the only reason I have not Thoroughly enjoyed the Spidey movies. I like the movie... then they show her and I groan... then they go to a new scene without her and I enjoy the movie. Who ever cast her should be kicked in the nuts.

Now as for Elisha... MEH...

She is smoking hot and blonde and smoking hot.... But I don't know. She sort of looks like the Comic Book Black Cat... and at least I won't cringe when Toby kisses her... like I did when he kissed Dunst. (Yeah, if you haven't figured it out by now... I REALLY do not like Dunst at all.)

I thought you were kidding
