Well, I'm posting this here to see what sort of response I get. I do love this site and, even though I don't post much, I try to support it as much as I can. I would like to request/commission a Harley Quinn character/texture for V4, using the bodysuit and expansion, with some items needing modeled.

I'd certainly be willing to donate some money towards this project or I'd gladly pay the artist on a commission basis. Ideally, I'd like to see this released as a freebie, here at the site. I am truly talentless, but I enjoy using Poser as a hobby. Perhaps someday, I might get enough courage to post my art, but really it's for the best that I don't! Anyway, we can use this forum to discuss the matter or one can PM me they'd rather. Thanks very much!
