hey Apelord.

depending on the size, you can e-mail it to me at [winterhawk200@yahoo.ca](mailto:winterhawk200@yahoo.ca) and I can ftp it as a free item if you want. If it is too big to e-mail you can set it up at a place like <http://www.megaupload.com> or something similiar and post a link and we can get it from there. I don't mind hosting it here at all but you would have to give it to me.

you can also post it in the galleries if the file size and image size are small enough and we can grab them from there and repackage them and put up a zip file.
