BUT... her boobs are too small for BlackCat.

The Black Cat's boobs weren't originally that big. Artists such as Terry Dodson and Ed Benes started drawing them that way. If that's the case...give Yvonne a push-up bra and she would be straight.

She's so fly that it shouldn't matter! I would never want Pam Anderson to play Felicia...but check this out: [Pam as The Black Cat](#)

Hey! Thanks! Your so Kind!

That's my Black Cat. :)

Makes me all warm inside to know you thought of my piece.

As for Pam as BC in a movie. I think she's too old now and her 'Surgeries' are starting to become not too flattering.

She is also a terrible actress. But a great model and that's why I've got a whole folder of pics of her ready to be BC. as soon as I get to it. :)

I think large breasts fit Felicia's character better. Her personality screams big breasts. I love the way Adam Hughes draws her.
