I LOVE Chuck... but Dollhouse and Terminator really suck... in my opinion. I have tried, on many occasions, to watch both and I have to change the channel. The acting is freaking Horrible... now I know why Lena Headey only had a SMALL part in 300... she is amazing to look at but can't act to save her life. And Eliza Dushku, while hot as hell, should wish that Buffy was never canceled....

But lets get together and save chuck!!!!
