'cos I'm a monkey. We are all monkeys. But I'm better than all U other monkeys, hence the "divine" part.

That, and the fact that I love the character "the Monkey King" from chinese lore. And he aspired to become a god (then buddha dropped a mountain on him, and left him there for a few hundred years). Or maybe it's because we all descend from monkeys, but a lot of people seem to think that we are better than animals. So I took this name to tease them.  
Hell, I don't know. It sounds good.
