Hai!

Family name is Miowarra, personal name is Tomokatu.

Refer to the works of J. E. Rogers; "Samurai Cat" series for more canon information.

The original Miowara Tomokato was born in 16thC Japan, feline companion to the great Oda Nobunaga, timenapped

to the 19th 20th and 21stC to deal hot, bloody, savage revenge upon evildoers. Also, tomcat tendencies when in company of females

(any species, really).

Much pleasure, many battles.

So!

Started using this ID when playing TotalWar:Shogun. Used it on Usenet since about '05, rather confirmed in it now. That skin fits.
