OK Heromorph an early start to the May Monthly Challenge.

The rules are simple.

Make the worst corny image/images you can think of. they can be sequential or just a stand alone image.

They have to be bad on purpose. now whether the art is what is bad, or it may be the context or the humor.

The concept here is so bad that it is good.

Once you have completed your image make a post in any gallery with the prefix "Salon:" in the image title.

end of the month we will have a poll to determine the winner.

Post before May 31 to be entered.
