Those are great pics, Darkknight, but I can't use either of them. Neither of them are the original Supergirl costume I recall (identical to the one Helen Slater wore). One has the open midrift and the other looks as if she's wearing shorts.

Neocene, if worse comes to worse I'll get back in touch with you, but I can't afford \$25 right now.

Truth be told, I had saved all my old coloring books with superheroes from my youth, but a few years ago, I got generous and gave them away. Now it's biting me in the ass
