The Question I'm gonna use on the Smackdown is the Vic Sage version, my favorite.

Skills and Abilities:

Sage possesses a highly developed intellect and inquisitive mind. His brilliant deductive reasoning meshes well with his masterful detective skills. Trained under Richard Dragon, Sage has become highly skilled in the martial arts and hand-to-hand combat.

Equipment:

Sage wears a specialized belt buckle that contains his faceless mask and a duo chemical gas compound.

Just a suggestion, OCP. Since humor is an important aspect of the SD, I think that it would be great if you put a bit of the JLU cartoon version of Vic into him so that he can be searching for the elusive sinister flavor of Baskin Robbins ice cream and other such nonsense.

As, for my entry of Link, I'm going to have him be sort of an ultimate Link. He'll look like the current Smash Bros./Twilight Princess version, but be an amalgam of all versions from all the games with access to every weapon and item from all the games.

Oh, just wait to see what I have in mind for the Question this year.
