I'd like to enter ... with Phantom Girl!

Phantom Girl has the ability to turn intangible (phase). While phased, she is immune to physical harm, can maneuver through solid objects and fly under her own power. She has additionally demonstrated the ability to disrupt the workings of electronic devices by moving through them while phased.

This is the Legion of Super Heroes character right? AKA "Apparition"? Basically has the same abilities as Shadowcat, so having the two of them up against each other should be interesting.
