from wut i know from when i got VIP status, its either donate. OR comment 300 times, but that has since changed, so i do not know. my advice would be to pm one of the mods, as they should be able to help ya.

EDIT: edited to make sure it didn't sound like i was saying you needed to donate 300 times, as i'm sure you don't <.< i mean, i'm sure they WOULD like that, but i don't think its that much >.>
