OH, man, laughing and crying! hahaha

oh, this is hilarious.

It's ok I secretly like it when people fight over me.

But who doesn't, I mean really.

You can't like when DD puts on his green Thongy-thingy and tries to sit on Bios head.

Oh, and the gray socks surely is a deal breaker.

I did not even notice the socks! ahahahaha!

No that would not be fun if Borat sat on me. I would scream and laugh, but his wife is another story.

She's beautiful!

But seriously guys....this thread was a thanks thread.

This is where we digress to? Borat in a green V-Thong!

Well...actually I'm not surprised.

As I said you make me laugh, it was to be expected.
