I have never understood the whole "if you don't like what I like your not a true fan or whatever"

Look I am as bleeding heart liberal as you can get and I still like Bruce Willis movies. I have friends that will refuse to watch Sean Penn films because he's a liberal and friends who won't watch Willis because he's a conservative.

I never understood the (lack of) logic. Same thing with comics. I am a DC fan, the characters just appeal to me more, but that doesn't mean I won't read Marvel, or Dynamite or whatever.

You just ran into an idiot(s)
