Wow..... what a day! I got to talk to a few celebrities today. The highlight was Billy Shatner... he is very friendly and even laughed when I made a joke about his "hair piece". I tired to get him to do a little of his "Price Line" kungfu... but that apparently was too much to ask. Angelina Jolie was there today and I tried to talk to her, but that was easier said than done!!!

The tiny little HM booth had quite a bit of traffic, mainly because of its location.

Oh yeah, White Queen was a smoking hot hottie!!! But I did not see her for the rest of the day... there were over 120,000 people there today at any given time.
