Well, I just woke up and still need a nap.... the Con whooped my hiney!!!

It was a great success. Although most people did not like talking to me in the Unisex Bathroom... but hey, they had no choice... they were a "captured" audience.

Interviews with Billy Shattner, Robert Downey Jr, Dwayne Johnson, Jack Black, and that dude that plays Syler (and spock) made the wait in the bathroom worth while... not to mention it gave HM great exposure. Arnold "Its not a toooma" Schwarzeneger stopped by, but his security wouldn't let me talk to him. Its funny, I heard the likes of Jessica Alba, Charlize Theron, and Angelina Jolie were here, but they never stopped by the booth... hmmmmm... it must be true that women do not use the restroom.

I took tons of pictures, alas, a Jawa stole my camera....

Anywho, with this trip being kind of a test run to the HM booth success.... I will be there again next year and will let everyone know ahead of time so you can make a point to come out and see me... Great time!!!!!!!
