Now yer startin' ta get some awesome textures and details in there, Bio. Lookin' Gooooood!

That zombified alienesque hand is sweet!

Thank double d. I'm starting feel like I'm in the home stretch.

I've added a little bit more here and there... The gun is midway in it's progress. I had to get that bad boy heated up. I also added some detail to her eyes. I'm not sure if I want to add irises, or just keep the creepy little pupils.
