The worlds, ohhhhhh, 3rd worst movie of all time will be ON the SyFy (Most recently the Sci Fi
channel) Channel this coming Saturday at 9:00Eastern.

Thats right kids... it is....

Mega Shark V. Giant Octopuss

Now, no one has an excuse to miss out on this decades worse Giant Shark versus Humungus
octopus movie.... now, Watch it Saturday and let me know how bad it was!!!!

I have watched it four times... don't worry... you can't offend me! IT RULES!!!!!!!!!!!! And Sucks so
bad!!!!!!!!!! Kinda like the Telletubbies on crack.... or wait, watching the Telletubbies while on crack.
