I know you want me to be next to you, but I have told you before, I am Married.
No no, you misunderstood. I meant "next to you" as in "next to you on the evolutionary scale", when I said I'd be willing to take two steps down the Evolutionary ladder so as to be "next to" your simian mentality.
Didn't I make that clear?

and the mouse in the house was in reference of you putting your pants back on, my friend.
You know, this obsession with me and my pants is beginning to become a little scary, if yaknowaddlmean...
