Max What would you like for the poll.

We have the following that have made it on time for the challenge:

Dark Knight / B

MatrixBlur / kev_incal

Bill T / Mystic Morgan

Brick / dperceful

Winterhawk / JuvenileMike

Troublebot / Poison Ivy

Android has put forward a very nice entry but it is missing his partners half. Should he be included in the poll to win? (I think he should, but it is up to you and Mike)

Also it looks like the Furious Max / MilleniumBum and the Aharmona / Shaylinn combo's are going to be late. Did you want me to add you guys to the poll; in hopes the pictures are up soon.

And what about the Flux / AnonmissX and the Jedi Master Khalel / StatXero pictures has anyone heard from any of these guys.

(I have also posted a slightly edited version of this message at c2f)

Also, I would like to thank every one involved; this was a great idea and a very fun project. A big Thank you to Max and Mike, who did a dam good job organizing this event.
