Even though we've seen a lot of it before, the overall effort is awesome! Cover: great pre-lipstick pout for the lipstick from the funny boa-muppet (made me get my boa out). P. 2 - offer sheet - I bet you get some offers...P. 3 sexy in the sheets (you don't always have to show skin...); tiger reminds me of "Calvin & Hobbes" (April & Hobbes?). P. 6 nice detail on tapping foot under dress. P. 7 great comic expression / extrapolation. P. 8 great colour on white stocking (putting sheer white stockings on doesn't turn you white). P. 9 magic costume. P. 10 interesting transformation - keeping a basic April look. P. 13 wavy line technique (maybe the first time used in comics?). P. 14 in the 1950's & 60's there were professional belly-button airbrush artists. P. 16 reminds me of "Wizard of Oz" and "Pleasantville". P. 17 & 18 Great!
