so how do we nominate? and how many are we allowed to nominate?

As stated below, you can nominate by either sending [Winterhawk](#) a PM or sending "me" ([The Dodge and Burn Awards](#)) your nominations. (We have already received several...) you are allowed to nominate as many as you want, within reason.

So pics had to have been posted before 31 July, could it not be the 8th of August instead (just before this was announced)?

Sorry, but we have to save some stuff for the Morphies, which will happen at the beginning of the New Year.

Is there also a 'posted after' date? Some of the categories are similar to the Morphies, if there is no date are the pics that were nominated/won Morpies eligible for these awards?

This came under much debate, and the decision was that as long as the artist is a member of the site, he may submit his work as a nomination.
