I got a question from one of the participants and I'm replying here because some of you might be wondering the same.

Where it says on the script "*can't use any superpowers*", means just that including magic ones. In case your character have superpowers, you can't use them but if your character use weapons, you can use them.

Example: let's say Superman is a contestant, he couldn't use his superpowers, he would be an ordinary man doing what he could to face his challenge, including using any sort of weapon at his disposal.

Hope this helps.
