As promised here are the pictures.

Most are not very good, but what ever. I'm posting the link to the full gallery on Facebook.

:)

It was fun!

although I didn't realize there are NO pictures of my boyfriend and !! I had him handcuffed to me a good chunk of the night...since he was a prisoner escaped from Arkham. He got away at some point...

Well I'll just have to remember to take more of us together since we don't have many.

I guess I was a good Bat-Girl, the costume was store bought.
