Hello Heromorphers,

And we have a Winner.

The HM Smackdown 4 poll ended and I'm glad to announce the winner:  
SKURGE

Congratulations, buddy. You deserve it!

And now about the prizes:

As it's usual, we have a few options for the winner to choose from, and this year the list is:

- A image from ReddEra. (2d)
- A image from EduMonteiro. (2d)
- A Image from OCP. (manip)
- A image from skurge. (3d)
- One item from the HM Download Central.

Please, contact any moderator with your choice of prize.

On a side note, I'd like to Thank you all participants. You are all winners by my book as all of you made an awesome job this year.

As for the final pages and the revealing of who won the Smackdown on the story, I apologize for the delay but the artist making those pages got the H1N1 virus and that had slowed his ongoing projects.

I will post those pages as soon as get them. Last time I spoke with him, he told that he's feeling better this days and probably will be done by next weekend.
