But Kirstent Dunst is a cutey! I mean not in a playboy kind of way, but in a geek's girlfriend kind of way. I guess that's the point of MJ and Black Cat - does SpiderMan chose a quiet life with the girl he always thought he loved? Or does he adapt and find a more fitting partner to his powers?

if you put that way my vote is for black cat (I mean in the movie)

PS: not only the dance scene was bad, the end of the movie was really bad (I don't mean the fight scene), and I think two villians is too much!.
