PS: let it go Jr.!...they choose Dunst!

I will never let it go! I heard that she was bowing out of Spiderman 4 and was freakin' pumped... and then I hear she is back. Ughhhh.... Ruff...ruff!!!

Yes, Parker had better choose Black Cat... she is hot!

Wait a second... McAdams is a top contender for the role.... she hasn't even signed, according to this article.

So, until she signs and I see proof, I don't care.
